July 17, 2019

Welcome back! I hope you had a fine vacation and are looking forward with enthusiasm to the new school year. Again, I spent time with grandchildren, enjoyed being creative by stamping and I had some time to relax. The summer flew by and we are excited to see you and begin another wonderful year with our students.

Each year gives us the opportunities for new beginnings, new goals, new classes, and new experiences. We continue to develop new approaches and implement new ideas. We discover new avenues by which to teach our intended curriculum and provide the necessary support for our students and each other.

We welcome new teachers to our exceptional education and classroom staff. We are proud of our dedicated, experienced staff and enthusiastic learners. It is exciting to add new members to our community. We want to make sure you are aware of the changes at our school. Mrs. Chavers and Mrs. Purdy transferred to other schools. We wish them the best and we will miss them. Mrs. Cruze/Mrs. Kantargas are our preschool teachers. Our primary team is Mrs. Thornton- K, Mrs. Osborne- 1st, and our 2nd grade teacher is to be determined. Our intermediate team is comprised of Mrs. Busby- 3rd, Mrs. DeBough-4th, and Mr. K-5th.

We firmly believe that each child is a unique gift to our school, our community, our nation and our world. On behalf of the Collier staff, we welcome your involvement, enthusiasm, and ideas. Together, we can accomplish anything and everything. Our door is always open. Feel free to contact us at 520.584.4800. Thank you for being a part of the fabulous Collier Elementary School family.

Fondly,

Mrs. Langford/Principal
