Parent Involvement

2018-20

Principa
Zulema Stan

mines the influence towards the academic success of every student. It is also a valuable component of the elementary and Secondary Education. In keeping with this belief, we recognize the need for a constructive partnership between Lawrence and our families that fosters educational support for students and parents. In building capacity to ensure the effective involvement of parents, we are implementing the research-based program of Dr. Joyce Epstein and the following six types of Parent Involvement, including activities that offer meaningful involvement in each area:

Parenting

Assist families with parenting and child rearing skills, understanding adolescent development, and setting the conditions that support children's growth. Assist schools in understanding diverse families.

Activities: Family Parenting Sessions; Health and Wellness; Home Visits; Adult Education Classes; and District Parent Learning Opportunities.

◇ Communication

Communicate with families about school programs and student progress through effective school to home and home to school communications. We will use a School Parent Compact that will be developed with each child's teacher and his/her parents at the first Parent-Teacher Conference of the school year.

Activities: Parent/ Teacher Conferences; Parent Coffees; Parent Compacts; Needs Assessment Surveys; Program Evaluations; Workshop Feedback/ Response Forms; Language Interpretations and Translations; Student Homework Planners sent home daily; Regular schedule of notices; and Monthly School and Grade Level Newsletters

◇ Volunteering

Improve recruitment, training, work and schedules to involve families as volunteers and audiences at the school or in other locations to support students and school programs.

Activities: Parent/ Volunteer Room; Volunteer Survey; Orientation and Training; Student of the Month, Quarterly Recognition Breakfast and Assemblies; Quarterly Recognition in meeting goals and perfect attendance.
