

Project MORE  
High School

August 15, 2019

Dear Project MORE Parents / Guardians,

I hope this letter finds all of our Project MORE families doing well and getting back into the routine for school. We are off to another great start and are very excited about the potential of our students for the 2019-2020 school year! If challenges become an obstacle for your student, please call the school to arrange a conference so we can collectively discuss strategies for overcoming the issues.

**Open House** will be **4:30 PM to 6:30 PM**, Thursday, **August 22, 2019** in the library. We look forward to having you visit, meet the teachers, and become familiar with the learning that your student will be doing this year. This is not a conference time for teachers to provide specific information, but more of an informational session about their expectations, procedures and classroom learning. We can provide you with a password for **Edgenuity** so you can be informed on a **daily** basis about your student's daily academic progress!! You will be able to see how much time they are spending on work and being on task!

In addition, we will also be discussing several ways that you can participate and support efforts at the school. At our Open House – we will also hold our **Annual Title 1** meeting to let you know how we can partner with you to ensure academic success as well as provide you with information about our **School Site Council**. There are many ways, small and large, that we can collaborate in, come and find out!

Even though it is still a month away, I also wanted to let you know that **Parent Teacher Conferences** will be held on **Thursday September 13<sup>th</sup>**. Parents/Guardians are encouraged to arrange a conference time to meet with one or all of your student's teachers. Please mark your calendars to set aside some time for obtaining specific information about your student's progress. You are encouraged to call the school at 225-2600 beforehand to get a guaranteed time that meets your schedule to conference with a teacher.

We will also be having a **School Assembly** on **Monday August 19<sup>th</sup>** at 1:05pm. We will be going over several topics including the Code of Conduct. Included in the mailer is letter that must be sign from you and returned to the school if you would like a copy of the new Code of Conduct.

Lastly, if your student is driving and parking on the school's parking lot, we will need a copy of **registration, license, and proof of registration** in order to park in the parking lot. Please turn in all copies to Ms. Escalante or Ms. Ellis.

Project MORE  
*High School*

We are looking forward to seeing you soon and welcome any questions you might have about your students learning experience. Give me a call the school number above with questions or concerns. We look forward to an enjoyable **Open House!**

Respectfully,

Israel Macias-Reyes - Principal
