Vision:

The vision of Lawrence 3-8 School is to model and inspire success, set the example and encourage students. We will find the full potential in every student and create life long learners.

Mission:

The mission of Lawrence 3-8 School is to create and develop the full potential in every student. This is a place where children are encouraged to embrace their culture, and find success in academics, personal growth, and the life skills, by being involved in team work and collaborating with others. Together, the students, families and staff will set high expectations to ensure that learning takes place for all.

Dear Lobo Families,

Thank you to the families who attended the Fall Festival. It was a fun evening of games and activities for everyone. The event was student and staff driven, and they did a great job collaborating to make it happen. We hope to continue this tradition in the future, with similar events.

We will be celebrating Native American Heritage Day on November 21st. Students will have the opportunity to listen to different speakers and do different activities. We will also be the host site for KPYT 100.3 FM during lunchtime.

We have received our current school letter grade of an F. I am more than happy to sit and discuss this grade with anyone who would like more information. This is the topic for our next Cafecito on December 5th. We have a plan in place to help raise that letter grade. I hope that we can work together to make sure students are ready for their tests, including the Benchmark testing.

As always, if you have any questions or concerns, please do not hesitate to reach out.

Mrs. Stanbrook

Principal

Fall Festival

Our first Fall Festival was held on October 26th. The night was a huge success and an amazing fundraiser for our Lobo Student Council. Our families were treated to dinner and Eegees and had the opportunity to play carnival style games and win prizes. The night ended with a Trunk or Treat to send everyone home with some sweets and treats. Thank you Lawrence Families for coming out and supporting your students, your school and for all the laughs and memories.

Parent Cafecito

Please join us on December 5th for our Cafecito at 9:30 in the parent room. We will be discussing the letter grade the Arizona Department of Education recently assigned our school. In addition, we will have some resources to share to help your student improve their individual progress.

We look forward to seeing you there.
