Girls on the Run® of Tucson

What is Girls on the Run® (GOTR)?

- Girls on the Run® (GOTR), is a national non-profit school based program that encourages 3rd – 8th grade girls to develop self-respect and healthy lifestyles through running.
- Heart & Sole is the Middle School Program
- Both programs combines training for a 3.1 mile running event with small group age appropriate discussions and fun, interactive physical activities.
- The 12 week program consist of 24 evidence-based lessons which are broken down into 3 key areas:
  - All About Me: Getting to know who I am and what I stand for.
    - These lessons help girls understand more about themselves and help equip them with skills to better handle peer pressure.
  - Building My Team: Understanding the importance of cooperation.
    - These lessons focus on how to handle bullying and gossip, how to make healthy decisions, and how to be a good sport.
  - Community Begins with Me:
    - The girls learn about being a part of a community and work together to complete a community project.
- The girls are placed into teams of 15 with at least two GOTR coaches. Each coach is trained and background checked by Girls on the Run® of Tucson.

What can I expect my daughter to get out of the program?

- The girls complete the program with a stronger sense of identity, a greater acceptance of themselves, a healthier body image and an understanding of what it means to be part of a team.
- The program is evaluated nationally each season through surveys and statistical analysis by Dr. Rita DeBate at The University of South Florida, Tampa.
