August 2, 2019

Greetings Families,

Welcome to the 2019-2020 school year! This school year is the start of my sixth year here at Borton. I am always amazed by the kind, supportive and committed culture of our school community. Our teachers, families and staff consistently collaborate to engage, enrich and empower the lives of all our students everyday. We are looking forward to a partnership that will ensure that our children can achieve their highest potential.

I would like to acknowledge that we have some new faces among our staff this year. New classroom teachers include; Ms. Kelly, first grade teacher in the Caterpillar room, Ms. Kilee, third grade teacher in the Sea Otter room, Ms. Cristina, third grade teacher in the Owl room, Ms. Jeanette, fourth grade teacher in the Gecko room, Ms. Tia, fourth grade teacher in the Roadrunner room and Ms. Rachel, fifth grade teacher in the Prairie Dog room. Our new music teacher is Ms. Lori. We also have an additional Ex. Ed teacher, Mr. Elias. Ms. Susan is our new school nurse and Ms. Nastia is our counseling intern this semester.

There is always so much going on at Borton. I highly recommend that you check our website periodically. You can also follow on social media. We are on Instagram at @Bortonmagnetschool or follow our Facebook page or join the Borton Parent Facebook page. Always be on the lookout for your child’s take home Tuesday folder, which will contain classroom newsletters and school information every week.

If you ever have any questions or concerns, please feel free to contact our office or email me at Denice.Contreras@tusd1.org.

Our wonderful Borton staff and I feel privileged to be a part of this school community. We look forward to a successful year.

Best,

Denice Contreras
