Greetings from Ms. Denice

February 2020

Dear Borton Families,

It has been a very busy month with so much going on around Borton. It was great seeing families at our annual Chili Cook off and we hope to see more at our next school event, Borton’s Talent Show. It is the PTA sponsored events that not only allow us to come together as a community, but funds raised from these events support our school, our students and allow us to not have to ask our families to commit to selling type fundraisers.

As we head into the month of February and we begin to celebrate all things that we love, I would like to take this opportunity to remind families that in keeping with our Borton philosophy of not buying into making holidays so commercial, classrooms will not be having a Valentine exchange or party with treats and candy. We will be focusing on kindness and friendship and making cards in the classroom based around that topic.

We appreciate your support with this. Have a fabulous month of February!

Best,

Denice Contreras

What’s going on in ART

with Ms. Candi

The school wide Art Show will be happening in the MPR Room (Large room to the right of the Art room), Tuesday March 24th from 8:00 a.m. to 7:00 p.m. and Wednesday March 25th from 8:00 a.m. to 2:00 p.m.

If anyone would like to help me take down the art show on Wednesday at 2:00, it would be much appreciated. All art pieces will be sent home on Thursday or Friday of that week, so keep your eye out for your students’ wonderful art pieces in their backpacks!

Thank You

For your Support and Generosity

The Borton community, along with the PTA, would like to thank Kathy Lohse and her family for their generous donation of $5000.00 to support project work. The donation comes in the name of her parents Douglas and Jean Stewart who recently passed away. They were strong supporters of public schools and Project Based Learning. Funds will be used for equipment and materials needed for classroom projects.
