Dear Cavett Families,

Welcome to the 2019-2020 school year! I am super excited about all the positive changes this year will bring. There are a few new staff members to welcome this year and we look forward to making Cavett their home.

The first day of school is Thursday August 1, 2019. We will have staff available with class lists on the first day of school that will be able to help you as well.

If you will be dropping off your student, please make sure you drop them off at the designated drop off area on the east side of the school (E. Poquita Vista) or you can drop them off at the front of the school, this is not a designated parking spot. If you need to walk your child inside the building, please use the parking lot on the south-side of the school. The first bell will ring promptly at 8:20 am and the second bell will ring at 8:25 am. Students may be on campus starting at 7:50 am. If you want you child on campus before that please see the front office about our before/after school program.

August brings us Open House, Title 1 parent workshops, Cavett Family informational meetings. Please be on the lookout for any fliers from the office or your child’s teacher. In order for us to better prepare for the rest of the year, we need your help. Paper registration has been replaced with online registration however; your child’s teacher may be sending home important paperwork that they need you to return as soon as possible. This will help us update your information so we may reach you in case of an emergency, transportation questions, as well as general information such as your child’s likes and dislikes.

Our goals are to keep our students and families safe and make a positive impact in our students and families education. We look forward to having a great year. Please look for our monthly newsletters from the office of the principal, as well as weekly/monthly newsletters from your child’s teacher and phone calls with important information from the TUSD Parent Link messaging system.

Thank you so much for choosing Cavett Elementary School to set the foundation for the rest of your child’s educational path. We put children first and know that with strong collaboration, we can make a difference in every child.

Welcome to Cavett and thank you!

Carol Leeson, Principal
Cavett Elementary School
