ENTRY POINTS FOR STUDENTS

ALL BUS STUDENTS USE BUS BAY ON GRANT ROAD
6TH GRADE USE SOUTHWEST DOOR MAIN PARKING LOT
7TH GRADE USE COURTYARD MAIN GATE
8TH GRADE USE NORTHEAST GATE “A” BUILDING
1st period Proctors meet their students in Main Courtyard to pick up their class. Staff sets expectations for walking in the halls to class:

- Wear mask unless eating or drinking
- No sharing of food or drink
- Always stay to the right
- Do not touch walls
- Socially distance as they are walking in line
- Masks required
- Teachers set the tone for the day
Breakfast and Lunch

- Enter Cafeteria Grab breakfast/Lunch and sit on tables designated with a Green Circle to maintain Social Distance
- Students use hand sanitizer station before and after eating
- Students may not gather in groups larger than 4
- Wear Mask when not eating or drinking
- Students will line up by their 1st period class in the Main Courtyard. Supervisors ensure that students maintain social distance.
- No balls on the field except for soccer
- No basketball
Visitors

All visitors must wear mask.

Pickup during the day, Parent/Guardian buzz front office and will answer the 5 Covid Poster Questions. If answering no to all questions, staff will allow entrance.

Only Parent/Guardian may sign in or out students and must have ID.
Classroom Environment

- Chairs separated 6 feet apart
- 15 chairs per classroom and all facing forward toward the front of the class
- Students will always wear masks
- No tables, unless we can distance students and accommodate the students
- Hand sanitizer station, students use every 100 minutes
- Daily deep clean
- Backpacks always stay with students or attached to the back of their chair
- No supplies are shared
Classroom Environment

- Proctors disinfect high touch areas as needed every 100 minutes
- Students disinfect their keyboard/laptop every 100 minutes
- All collaborative work is done through technology using Zoom
- Meetings with counselors will be scheduled via email
Student Transition

- Stay to the right
- Wear mask
- Do not touch walls
- Socially distance
- Do not gather in groups larger than 4
- Supervision by all staff that do not have classes and are not disinfecting desks
If a student exhibits symptoms of Covid-19 or falls ill during the school day, the student is sent to the isolation room located in the nurse’s office until arrangements for pick up are arranged.

School Safety may be needed to take student home.

Attendance clerk calls parent to let them know that they cannot return until the student has a Covid-19 test and permission from a physician.
Utilize all exits with students exiting school grounds through the exit closest to their 6th period class

When numbers dictate the soccer field gates will be open for dismissal

6th period Proctors will escort students to the gate they entered

Students immediately leave school grounds and head home
