RE-ENTRY PLAN SAFETY/OPERATIONAL LOGISTICS

Utilizing the guidance document as an outline, your team will create a re-entry plan that encompasses a student’s day on each school campus to uphold safety guidelines and mitigate virus spread for all students, parents, teachers and the community.

DRAFT REVISED 8.10.20

Arrival

1. Limited entry access to campus based on mode of arrival. Each entry point will be staffed with a monitor or other staff member to support safe distancing and masks. Entrance points will have masks if needed. Campus will be open 20 minutes prior to the start of class.

   Entry Points:
   a. Parent drop-off at front of school. Door will be propped open to alleviate touching
   b. Bus bay on Sylvain
   c. Bus bay on Sylvain for Ex Ed handi cars. Door will be propped open for touchless entry.

   Upon entering campus, students will report to a designated area on the large playground which will allow for 6ft distancing based on their first class of the day. Teachers will meet their students in these areas at the first bell and stagger the entrance to the building while monitoring and modeling safe distancing and mask wearing. This will occur with SC and K-5. Middle school students will remain 6ft. distancing in designated area.

2. Procedure and logistics for student entry, visitors, pickup during the day
   a. To limit exposure, no visitors or volunteers will be allowed past the main entrance area.
   b. Parents and visitors to campus must ring bell for entry after 8:30 AM. The front entry doors will be locked.
   c. For tardy students and multiple parents needing to pick up their child, markings will be placed at 6 ft. Intervals for safe distancing.
   d. All parents and visitors visiting campus will be required to wear masks.
3. Parent Communication
   a. Prior to the return of students, student expectations will be sent to parents and any new parents and students.
   b. Information will be shared in the weekly newsletter, website and on social media.
   c. Parent Link phone calls will direct parents to check email and website for safe school opening instructions.

4. Plans and designated areas in the event of inclement weather
   a. Students will go to class early if they were unable to gather safely under covered areas outside prior to the first class of the day.
   b. A schedule will be implemented with increased social distancing in the classroom for lunch if safe spaces in covered areas outside are not able to be used.

5. Breakfast will be served to students attending in-person instruction beginning 20 minutes prior to the start of the school day
   a. Specific cafeteria doors will be designated for entry/exit controlling the flow of traffic and touchless entry way.
   b. Lines will be clearly marked with socially distanced markers when students are in line to receive breakfast.
   c. Students will then take breakfast to designated classroom or sit in designated area in cafeteria and courtyard while maintaining 6 ft distance.
   c. Custodians or staff will clean individual seating areas as students vacate the space after breakfast. Morning monitors or classified will assist.
   d. All tables in cafeteria and courtyard will be utilized to allow for social distancing.
