

Name _____ School Site _____

Use this log to track the Direct Instruction that you are providing to either small groups or whole classes. This will serve as evidence that you continue to be a teacher, providing educational lessons and units within your discipline/expertise. Please log all direct instruction, with a minimal expectation of three entries per quarter. Please provide a student work sample/outcome for each entry.

Direct Instruction involves groups of students, or the entire class, with a clear objective and lesson being taught. The instruction is aligned to Arizona College and Career Readiness Standards.
