**Fall 2020-2021 Registration:** It is time to register your child for the 2020-2021 school year! Reminder e-mails are being sent out:

We show that you do not yet have registered you child online for the coming school year 2020-2021. To register online, you must first validate your email address, once that is completed you will receive a ParentVUE Key with the information required to create an account and register your child/children. For parents that currently have a ParentVUE account, if you need help with your user name/password, please contact Mrs. Mange at Sylvia.Mange@tusd1.org, your email must also be validated. If you have children in multiple schools, you only need to visit one school site to get the ParentVUE account Activation Key. Once you set up your account you can then register your child/children, track your student's attendance, academic progress, and view school calendar. Thank you for choosing Manzo Elementary. We look forward to seeing your students soon.

During these stressful times, please remember to be kind to one another, enjoy each other’s company and gifts of laughter. The only thing we can never get back is time, so enjoy the time together, go out for a walk, bike ride or simply sit outside and enjoy the weather. We look forward to seeing you next year. Please stay updated at www.https://tusd1.org

Sincerely,
