Dear Manzo Families,

Wow!! Just a few more weeks and the school year will be over. I know that the fourth quarter has been a challenge for all of us due to social distancing and having to learn and work from home. I'd like to thank all our Manzo families, students and staff for their hard work and support this school year, especially during these last couple of months. You’re the best!!! Looking forward to a great 2020-2021 school year and hopefully seeing all of our students back on campus!

**STUDENT MATERIALS LEFT AT SCHOOL:**

Teachers have gathered your students’ belongings and they will be ready to be picked up on Thursday and Friday, May 14th and 15th, between 10:00 am—2:00 pm. Due to the hot weather and social distancing, you can pick up your students’ belongings on the north side of the school, through the window next to parent pickup. There will be a sign posted next to the window.

**2020-2021 REGISTRATION:**

Fall 2020-2021 Registration: Manzo Families, thank you for those of you have registered your students for next year. We show that some of you have not registered your child online for the coming school year 2020-2021. To register online, you must first validate your email address, once that is completed you will receive a ParentVUE Key with the information required to create an account and register your child/children. For parents that currently have a ParentVUE account, if you need help with your user name/password, please contact Mrs. Mange at Sylvia.Mange@tusd1.org, your email must also be validated. If you have children in multiple schools, you only need to visit one school site to get the ParentVUE account Activation Key. Once you set up your account you can then register your child/children, track your student's attendance, academic progress, and view school calendar. Thank you for choosing Manzo Elementary. We look forward to seeing your students soon.

**Parent Link**

As many of you know I send out several parent links via your phones but do you know I also send out parent links via e-mail? If you are missing out on these important announcements please contact the office to make sure we have your correct phone number and e-mail address. This month I am sending out information on Summer Programs your students can enjoy, and some are for freeeeeeeeeeee!!!

I look forward to seeing everyone in the fall. Parents please remember to have your student read to you or you can also read to them daily. Reading with our children 20 minutes per day will expose them to 1.8 million (1,800,000) words per year and assist them in scoring in the 90th percentile in standardized scores. Please take the time to read with your child this summer. I wish you a healthy and blessed summer.

Steven La Turco
Principal
**Reading Matters!**

**THE IMPACT OF READING 20 MINUTES PER DAY!**

- **A child who reads 20 minutes per day is exposed to 1.8 MILLION words per year and scores in 90th PERCENTILE on standardized tests.**
- **A child who reads 5 minutes per day is exposed to 282,000 words per year and scores in 50th PERCENTILE on standardized tests.**
- **A child who reads 1 minute per day is exposed to 8,000 words per year and scores in 10th PERCENTILE on standardized tests.**
