Mission
Our mission is to empower and provide a high quality comprehensive and meaningful education to all students of our global community.
Dear Robison Families,

Welcome to the 2019-2020 school year! We look forward to our continued success for every student. I look forward to meeting the new families at Robison and reconnecting with returning students and families. I strongly encourage families to get to know each other by getting involved with PTO, Site Council, volunteering in the classroom/field trips and attending school events.

Our first school event is Meet Your Teacher on Wednesday, July 31, 1 PM to 3 PM. Please report to the café to find out who your child’s teacher will be this year. This is a great opportunity to meet your child’s teacher, visit the classroom and view our campus. However, this is not the time to conference with teachers about your child. If you would like to have further discussion regarding your child, please set up an appointment with the teacher.

All students have been assigned a teacher for the 2019-2020 school year. Teachers were very mindful when creating student rosters to ensure the best learning environment and well balanced classroom.

PROCEDURES FOR PARENT DROP OFF AND PICK-UP.
Speeding causes traffic disruptions, delays & puts children, families and staff in danger. Please be mindful and safe at all times.

NEW Drop-Off Zone: Morning drop-off zone is on 18th street by the playground. Please do not park your vehicle and walk your student to the playground. This area has been designed for drive by drop off only; please make sure your child is safe when exiting the vehicle. When dropping off your child, please pull up to the parking spot and walk your child to class. Please do not drop off students at entrance of the parking lot on 18th street. Also, please be mindful of the residents and do not block their driveways. Families are encouraged to park at the church or the parking lot behind Robison on Treat St. I understand we have limited parking available, but we have many options available for safe parking.
**Crosswalk:** This year I would like to encourage families to use our crosswalk on 18th and Treat Street to ensure the safety of our students. Please avoid running across the street or sending children across the street. Walking down to the crosswalk will take extra time, but it will be worth the walk and ensure your child’s safety.

**Transportation:**
Many of our students ride the bus to school. At some point this year, all of our students will use our transportation system. Please encourage your child to follow the TUSD bus rules and procedures. The bus rules are designed to keep students safe by creating an environment on the bus that allows the driver to be focused on the road. Please remember that if you should experience a problem with transportation, call the school office first before calling transportation. We can then direct you to the appropriate department or solve the problem for you.

**PBIS:**
We are continuing Positive Behavior Interventions & Supports (PBIS). All students will focus on our Robison School Rules: Be Respectful, Be Responsible, Be Safe and Be Kind. We will be having a PBIS assembly on August 5th at 9am to review our rules and expectations for the year. Families are welcome to attend our PBIS assembly.

**Pets on Campus**
- As tempting as it might be to bring your dog on campus, all pets are to remain off campus.
- Pets are never allowed in the building unless they are a licensed service dog.
- If you must bring your dog on campus for some reason, please keep him/her on a leash across the street.
- Be considerate of children and adults who might be allergic and/or who might be uncomfortable around animals.

**Lunch Schedule:**
Students will eat their lunch first and then play on the playground. The lunch schedule will be as follows:

**Snacks:**
Kindergarten students will have the opportunity to eat a healthy snack once throughout the day, please see teacher for more information. Students in grades 1-5 will not have the opportunity to eat a snack. Our focus will be on students having the opportunity to eat a healthy breakfast and lunch.

**Forms:**
The first days of school are exciting! When your child comes home you will find many important pieces of information. Teachers will send home a newsletter and supply list on the first day of school. **Please return all forms promptly.**

**Emergency Cards:**
Please remember that all sections of your child’s emergency card must be completed and returned to the Health Office as soon as possible. If you have lost the card and need a new one, please stop by the office and ask for a new one.

**Cafeteria:**
Robison is one of the 34 TUSD schools that will be implementing Community Eligibility Provision (CEP) this school year which allows free meals to be provided to all students. Parents at Robison no longer have to complete a free and reduced meal benefit application.

All Students at Robison will receive free breakfast and free lunch and an application is not needed. We are excited for this opportunity for our students!
