January 22nd, 2020

Hello and welcome incoming 9th grade Tucson High Magnet Parent/Guardian and student! We are very excited and looking forward to meeting you and our Baby Badgers. What an exciting and memorable time students have to look forward to as they make this transition to high school; we are here to support and help along the way. Please read through this packet thoroughly as it contains important and time sensitive information.

Enclosed you will find the TUSD enrollment paperwork that is required for your child to enroll at Tucson High Magnet School for the 2020-2021 school year. On the back, you will find information about the requirements and instructions to complete this stage in the process as well as the timeline for when you can return all the necessary documents to the school.

We cannot have paperwork submitted to the middle schools due to a lack of personnel of retrieving that paperwork, so we ask that all documents come to the high school on any of the evenings below:

Regular Office Hours for Attendance/Registration Office

8:00 a.m. 3:30 p.m. (M-F)

After Hours Open Evenings (4:30-6:30 p.m.)

-Monday, March 2

-Wednesday, March 4

-Tuesday, March 10

-Thursday, March 12

***If you are unable to make any of these evening times, you may come in during our regular business hours posted above.**

As Tucson High's Principal, I believe in encouraging the partnership between our families and the school. Although we are preparing our students in becoming young adults, they still need the support and involvement of their parents/guardian to help navigate their questions, concerns, and pathways to have the most positive experience throughout their high school experience and thereafter. Continue to be their number one advocate, and we will be here as a means of support to achieve their academic success and ultimately the milestone of becoming a high school graduate. I look forward to working with all of you and cheers to a great upcoming year. GO BADGERS!

In service,

Shawna Rodriguez
