Dear Parents/Guardians:

While attending any TUSD sponsored Elementary athletic events the following Policies will apply:

* All parents and spectators are expected to be positive role models for their student(s) by showing respect and courtesy to all players, coaches, officials, volunteers/workers and spectators at every game, practice and event.

* Unsportsmanlike conduct will not be tolerated such as booing, taunting, use of profane language or gestures towards any official, coach, player, volunteers/workers or other spectators.

* ALL parents and spectators MUST remain off the courts, track, courses, and playing fields AT ALL TIMES. Spectators are expected to remain behind the marked areas and NOT enter the area of play at any time. This is important for the safety of our students.

These policies were established in order to keep our students safe and make sure they have a fun, safe, environment in which to play, grow and learn.

**Failure to follow these policies may result in the removal from the event and/or being prohibited from possible future events.**

If you have any questions please contact the Interscholastics office at (520) 232-8650.

Thank you,

Herman House

Interim Director of Interscholastics

Tucson Unified School District
