Dear Wheeler Families,

On behalf of the Wheeler Elementary School Staff, I am happy to welcome you to the 2019-2020 school year. We are looking forward to a productive partnership with you to ensure our children can achieve their highest potential. We recognize that in order to be successful in school, our children need support from all of us. We know a strong partnership with you will make a great difference in your child’s education. As partners, we share the responsibility for our children’s learning, development and success, therefore we ask that you guide and support your child’s learning by ensuring that he/she:

1. Attends school daily and arrives on time, ready for the day’s exciting learning experiences.
2. Family reading for at least 20 minutes per day to develop a love for reading and improve literacy skills.
3. Completes homework assignments and engage in multiple Family/School related activities throughout the school year.

Our Wheeler Special Education Teachers will continue to co-teach with the General Education Teachers in some classes for part of the school day. This will allow two certified and highly qualified teachers to instruct together to ensure that all students’ needs are being met. Current research shows that all students benefit from this model. Our staff has studied and practiced co-teaching strategies and are excited to see results that are even more successful!

Important dates/times to remember:

New and returning students on-line registration - Office is opened on Tuesdays and Wednesdays from 7:30 am-4:00 pm during the summer. All you need is a ParentVUE account.
