~Statement of Commitment~

The Governing Board and its staff recognize the importance of making board meeting information available to the public and are committed to having materials available for review in the Governing Board Office as early as possible prior to a board meeting and most certainly within the timelines prescribed by Arizona statute.

~Board Agenda Information Process~

▶ Generally, drafted agendas are posted on the TUSD webpage and in the front window of the Morrow Education Center by the close of day on the Friday prior to a Tuesday meeting. In any event, apart from emergency meetings (reference A.R.S. § 38-431.02), agendas are posted no less than 24 hours prior to a board meeting.

▶ Unless prevented by extenuating circumstances, a packet will be available for public review by 10 a.m. the day prior to the board meeting and will continue to be available during regular business hours until the start of the meeting. Individuals may want to call the Board Office prior to coming to review the packet in the event that receipt of certain materials has been delayed. Due to limited resources and staff, individual agenda packets are distributed only to a limited number of people as determined by the Director of Staff Services.

▶ In accordance with a public records request, copies of materials may be obtained pursuant to Board Policy No. 1150 and its accompanying Administrative Regulation.

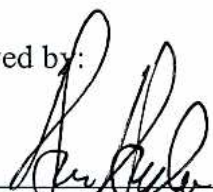

▶ Questions regarding board meeting agendas or materials may be directed to the Director of Staff Services.
