

Black History Month was created by Carter G. Woodson in February 1926. Originally called Negro History Week, Woodson created the concept so students would have the opportunity to learn Black History. Woodson chose the second week in February in celebration of Frederick Douglass and President Abraham Lincoln.

For additional information and resources, visit Tucson Unified's African American Student Services website at tusd1.org/aassd.

For questions about events and activities please call our office at **520-584-7500**.
