COVID-19 BinaxNOW Antigen Testing Consent Form And Waiver and Release of Claims

Dear Employee:
While at work and showing symptoms of COVID-19, you may choose to voluntarily receive a nasal swab BinaxNOW antigen test to detect whether you may have COVID-19. Symptoms may include: cough, fever, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea, vomiting or diarrhea. If you would like to receive the BinaxNOW antigen test if/when you begin showing symptoms of COVID-19 while in the workplace, please complete the following information:

Name: _____ DOB:_____

Assigned School/Location: _____

Home Phone: _____ Cell Phone: _____

(Initial each line separately. Every line must be initialed for consent to be valid):

a. _____ I authorize the nurse or other TUSD trained personnel within TUSD to administer the COVID-19 BinaxNOW antigen test to me.
b. _____ I understand that test results may be disclosed to county and state health officials and designated school officials.
c. _____ I understand that there is the potential for a false positive or false negative COVID-19 test result.
d. _____ I have been informed that if I have symptoms, a negative test will not necessarily rule out infection or COVID-19 and I will still be required to follow the TUSD Regulation for symptoms consistent with COVID-19.

Waiver of Liability and Release of Claims:

In providing my consent for the District to administer the BinaxNOW antigen test, and to the fullest extent permitted by law, I hereby agree to waive, release, and discharge any and all claims, causes of action, damages, and rights of any kind against the District, its insurers, the District's Governing Board, and all of their respective employees, agents, representatives, and volunteers (the "Released Parties") arising from or relating in any way to any damage, injury, trauma, illness, loss, disability, or death that may occur to me or my household members as a result of the test administration or a false negative/false positive test result from the District's administration of the COVID-19 BinaxNOW antigen test.
