

# TUCSON UNIFIED

SCHOOL DISTRICT

---

February 3, 2026

Dear TUSD Families and community,

I want to take a moment to reassure you that the Tucson Unified School District (TUSD) is fully committed to providing the best possible education in a safe and supportive environment for all students, regardless of their immigration status. Our priority is the well-being of every child and young person we serve, and we are dedicated to creating a place where all families feel welcome, respected, and protected.

Our district has established policies and protocols, aligned with local and federal law, that ensure that all students have access to a high-quality education without fear of immigration enforcement. We understand that the ongoing federal immigration enforcement actions being carried out locally and across the nation have increased the level of anxiety and fear that many families feel sending their children to school or visiting our campuses. Please know that we are actively monitoring any developments. TUSD will always prioritize the safety of our students, families, and employees on school property, using all lawful means to meet that obligation.

Rest assured that we are committed to keeping our schools safe and providing every student with the opportunity to succeed academically in a secure and nurturing environment.

Thank you for being a valued part of our TUSD family.

Sincerely,

Dr. Gabriel Trujillo  
Superintendent, Tucson Unified School District
