ARTICLE FIVE

GRIEVANCE PROCEDURE

5-1 Purpose

- A. The District and the Association acknowledge that it is usually most desirable for the MBU and the immediate supervisor to resolve problems through free and informal communications. If, however, such informal processes fail to satisfy the MBU, a grievance may be processed.
- B. The purpose of this grievance procedure is to secure equitable solutions to a claim in an equitable manner and at the lowest possible level.

5-2 Immediate Supervisor

- A. In any school, the immediate supervisor is deemed to be the building principal, principal designee, or acting principal in their absence.
- B. If a MBU works at more than one school, the immediate supervisor shall be deemed to be the supervisor with whom the grievance has been filed.
- C. If a MBU is not assigned to an individual school, the immediate supervisor is deemed to be the administrator by whom the MBU is evaluated.

5-3 Level One

- A. A MBU with a Level I grievance shall first present it orally and informally, with or without representative, to the grievant's immediate supervisor within fifteen (15) days following the alleged violation, or fifteen (15) days from the time the alleged violation is known to the grievant or the Association.
- B. When presenting a Level I grievance, the grievant must specifically inform the immediate supervisor that the presentation is a Level I grievance. A Level I grievance shall include the following:
 1. Date of alleged violation;
 2. Section of Agreement allegedly violated;
 3. Relief requested.

5-4 Level Two

- A. If resolution is not reached by means of the Level I grievance procedure, the grievant shall have five (5) days from the date of the Level I grievance meeting to file a written grievance. The grievant may present a claim in writing to the immediate supervisor, either directly or through the Association.
- B. A written grievance shall meet the following specifications:
 1. It shall contain a synopsis of the facts giving rise to the alleged violation or misinterpretation, including appropriate dates;

2. It shall contain the specific section of this Agreement which has been allegedly inequitably applied;
 3. It shall state the relief requested;
 4. It shall be signed and dated by the grievant.
- C. Within five (5) days after receiving the written claim of grievance, the immediate supervisor shall state the decision in writing and forward it to the Director of Employee Relations, the grievant, and the Association.

5-5 Level Three

- A. Within ten (10) days after receiving the written decision of the immediate supervisor (or within twenty (20) days from the date the Level I grievance was filed if there was no written response to the Level II), the grievant may, either in person or through the Association, submit a written appeal of the immediate supervisor's decision to the Director of Employee Relations. Said appeal shall be accompanied by copies of the original claim of grievance and the immediate supervisor's written decision, and shall state with particularity objections to that decision. The Director of Employee Relations shall investigate the claim, evaluate the evidence, and within ten (10) days after receiving the written appeal schedule a hearing, and within ten (10) days after the hearing, state in writing a decision. The Association shall receive copies of all grievance decisions made as a result of hearings without Association representation. Level Three grievance decisions will not be used by either party as precedent in future grievances.
- B. A copy of the original grievance and the Level III decision shall be sent to the Association at same time the Level III decision is provided to the grievant.
- C. The Level III filing will be submitted with at least one date (within five days of filing) when the Association representative and the grievant will be available.

5-6 Level Four – Arbitration

- A. Only grievances arising out of an alleged misinterpretation or alleged violation of the express Terms of this Agreement may be submitted to Level IV, and only on petition of the Association. All arbitration hearings will be held at times and locations mutually agreeable to both the District and the Association.
- B. If the response of the Level III review does not result in resolution of the grievance, the Association on behalf of the grievant may invoke this Level IV procedure within ten (10) days of the receipt of the Level III decision.
- C. TUSD's Director of Employee Relations and the Association shall submit the issue and schedule a hearing date with the selected arbitrator within ten (10) days of filing of the grievance at Level IV.

5-7 Selection of Arbitrators:

The selection of arbitrators to hear TEA grievances shall be accomplished in the following manner:

TEA and TUSD shall agree on a list of twelve (12) arbitrators who are acceptable to both TEA and TUSD. The arbitrators shall be placed on a list in alphabetical order and assigned in that order as each grievance is filed. The intent is to rotate arbitrators. If an arbitrator's schedule prevents a mutually agreeable hearing date from being scheduled within forty-five (45) calendar days of filing for arbitration, then the next arbitrator on the list shall be assigned that grievance.

5-8 Arbitration

- A. The arbitrator shall be bound by the following:

1. The arbitrator shall neither add to, detract from, nor modify the language of this Agreement;
2. The arbitrator shall expressly be confined to the precise issues jointly submitted by the parties. If the parties are unable to reach agreement on the submission of issues, the arbitrator shall formulate the issues to be determined.

- B.** The findings and recommendations for relief of the arbitrator shall be advisory. A copy of the decision shall be submitted to both parties within thirty (30) days of the hearing.
- C.** The fees and expenses of the arbitrator shall be borne equally by the parties. All other expenses shall be borne by the incurring party.

5-9 Time Limits

- A.** Failure at any step in this procedure to communicate the decision on a grievance within the specified time limit shall permit the grievant to proceed to the next step.
- B.** Failure at any step to appeal a grievance to the next higher step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step. Time limits specified in the grievance procedure may be extended in any specific instance only by mutual written consent of both parties.

5-10 Reprisals

No reprisals shall be taken by the District or the Association against a grievant or witness(es) because of participation in the grievance procedure.

5-11 Group Grievance

If, in the judgment of the Association representative, the grievance affects a defined group of MBUs, the Association may pursue the grievance at Level III. Prior to filing the written Level III grievance, TEA shall first present the grievance orally to the Superintendent's designee in accordance with the Level I provision.

5-12 Hearing and Decisions

- A.** At each of the levels of the grievance procedure, the grievant and their representative shall be given a reasonable opportunity to be heard. Hearings at each level will be held at times mutually agreeable to both the District and Association.

EVALUATION

13-1 Purpose

The purpose of this procedure is to evaluate the progress and success of both newly employed and experienced MBUs for the purpose of improving instruction and services. Evaluation also provides the basis for administrative decisions. Such decisions may include the employment of personnel, their assignment, the movement to continuing status, or termination. If any conflict arises between the language of this Article and the Teacher Evaluation Process adopted by the Governing Board under Arizona statute, the Teacher Evaluation Process shall govern for the purposes of discipline, assignment, renewal, or termination of teachers.

13-2 Evaluation Instrument and Process

- A. The District shall ensure that the evaluation system is in accordance with State law and shall develop the instrument in collaboration with TEA.
- B. Orientation - The evaluator of the teacher(s) will conduct an orientation and provide materials outlining the evaluation process. This will be done by the principal or supervisor in a group setting prior to the first teaching day of each school year. The difference between evaluation and observation will be discussed during this time.
- C. Conference - Beginning of the Year – By the end of the first quarter, the teacher and the evaluator will meet to discuss the evaluation process. Discussion must be about the teacher’s goals and objectives for the classroom/school; measurable targets; standards for performance; pertinent student academic progress data; the analyses of parent and student survey data; and previous evaluation results.
 - 1. It is important to consider the context in which the evaluation occurs. The experience level of the teacher should be taken into consideration. The performance of a novice teacher (a teacher new to the profession with fewer than three years of experience) is likely to be different from that of a more experienced teacher (a teacher with three or more years of experience) or reassigned teacher (a teacher who has been newly assigned to a grade, a content area or a school). Discussion of context should occur in the first conference.
 - 2. The descriptions of the performance classification levels should be reviewed and discussed based on the goals being set during this conference.
 - 3. During this initial conference, the evaluator and the teacher will review the teaching practices identified in the Danielson Domains. It is suggested that the components associated with each Danielson Domain be reviewed and discussed. The evaluator and teacher should be clear as to the expectations in each domain.
 - 4. Throughout the year the teacher will work on established goals and collect evidence of success for future discussion with the evaluator. Scheduled and/or announced observations and/or conferences may also occur during this time.

- D. The first formal observation will be scheduled. A conference should precede this formal observation for the purpose of identifying the details of the upcoming observation. Lesson plans will be shared, activities described, materials identified, teacher self-review discussed, etc. This individual conference will be completed face to face. This is an appropriate time for the informal observation and teacher self-review to be discussed.
- E. Teacher Self-Review - This process is completed by the teacher in preparation for the evaluation process. The teacher reflects on their professional skills and knowledge as they relate to the InTASC Standards. This may be completed through a reflection including the domains of a framework utilized in the observation process. The Teacher Self-Review will be completed by December 1st of each year.
- F. Formal Observation #1 - Observation of a complete and uninterrupted lesson.
- G. Post Observation Conference #1 - The purpose of this meeting is to identify areas of strengths and opportunities for improvement based upon documentation provided to the teacher. Plans, activities and/or strategies to help improve student academic performance and non-academic performance should be the outcomes of this conference. Announced observations/conferences may also occur during this time.
- H. Pre-Observation Conference #2 - An optional conference, may precede the second formal observation for the purpose of identifying the details of the upcoming observation. Lesson plans may be shared, activities described, materials identified, teacher self-review discussed, etc. This conference shall be held if: a) a teacher scores 29 points or less in Domains 2 & 3; or b) upon teacher request.
- I. Formal Observation #2 - Observation of a complete and uninterrupted lesson. Required for teachers who score 29 points or less in Domains 2 & 3 from the first observation or by teacher request. This is an announced observation in which the teacher has been given a date range of no more than two weeks.
- J. Post-Observation Conference #2 – This is the teacher evaluation conference that may complete the evaluation cycle. - If this is the final Post Observation Conference, the summative evaluation document shall be prepared and presented to the teacher at least one day before conference. This may be done electronically through the evaluation management system. A review of data and other evidence of the teacher’s performance is done at this time. The identification of future actions for teacher improvement/growth will also be determined. The teacher evaluation and performance classification are forwarded to the Assistant Superintendent. It is acceptable that the student achievement data being used in the evaluation process lags one year and represents prior year data.

13-3 Observation/Evaluation Procedure – Teachers

- A. Observations shall be conducted only by qualified evaluators. Input into evaluations may be provided by other appropriately qualified evaluators. Each formal observation of performance will be made in person for an uninterrupted lesson. All monitoring and observations of the performance of a MBU will be conducted openly and with the full knowledge of the MBU.
- B. In high schools, the MBU and administrator may request that the department chairperson observe the MBU's performance and also provide a written statement of the observation to the MBU and administrator. The department chairperson will not observe for the purpose of evaluation without prior knowledge and consent of the MBU. The administrator will continue to have full and final responsibility for the written evaluation.
- C. The initial observation will be pre-arranged by the evaluator and the MBU.

- D.** Information from MBUs who have been assigned to assist MBUs shall not be used as a basis for teacher evaluations.

- IV.** Evaluators shall complete each teacher’s final summative evaluation no later than May 15 for teachers who score fewer than 30 points and no later than January 31 for teachers who score 30 points or more. The final evaluation shall be signed by the teacher at the final conference. The signature of the teacher indicates only that teacher has seen the statement of evaluation but does not necessarily indicate agreement with the contents of the statement. No teacher shall be required to sign a blank or incomplete evaluation form.
- V.** There shall be only ONE final evaluation document for teachers unless there is a plan for improvement which requires a second evaluation.

13-4 Rebuttal or Response; APPEALS

- A.** In the event that the MBU believes the evaluation is incomplete or unjust, the MBU may file a response or rebuttal in writing within ten days of the receipt of the evaluation document. The rebuttal or response shall be attached to the evaluation placed in the personnel file.
- B.** In the event that the MBU believes the evaluation is incomplete or unjust, the MBU may file an appeal to the joint TUSD/TEA appeals panel. The appeal must be filed by May 31st and provide supplemental evidence to the hearing panel within 10 days of filing the appeal.

supervisor and the employee shall identify additional strategies pursuant to TUSD policy regulation GCO as agreed by TUSD and TEA.

The plan for improvement shall be written in accordance with state statutes and shall provide assistance to the MBU such as, but not be limited to:
 - 1.** Demonstration;
 - 2.** Direction of the MBU toward a model for emulation, allowing opportunities for observation and consultation;
 - 3.** Initiation of conferences with evaluator and MBU to plan positive moves toward improvement of the MBU's performance.
 - 4.** Guidance for the MBU toward professional growth may include opportunities to attend workshops, in-services or conferences which will lead to professional growth in areas identified as deficiencies;
 - 5.** Observation, continued and sustained, by the evaluator to note date-to-day lessons and their inter-relationships;
 - 6.** Maintenance and expansion of the collection of professional literature with assigned reading, designed to suggest possible solutions to identified problems.

- C. No materials derogatory to a MBU's conduct, performance, character or personality shall be placed in the personnel file(s) unless the MBU has had the opportunity to review the material. The MBU shall acknowledge that they have had the opportunity to review such material by affixing their signature to the copy to be filed with the express understanding that such signature in no way indicates agreement with the contents thereof. The MBU shall also have the right to submit a written answer to such material which shall be reviewed and signed by the Superintendent or the designee and attached to the file copy(ies). The signature of the Superintendent or the designee shall in no way indicate agreement with the contents thereof.

13-9 Non-Renewal

- A. Non-renewal of teachers for performance deficiencies shall be in accordance with state and federal statutes.

- A.** Violations by MBUs of the rules, regulations or policies of the Governing Board or of state and federal laws may result in disciplinary action, which shall be in accordance with these rules.
- B.** The Governing Board or designee(s) reserves the right not to discipline a MBU for a violation of the rules, regulations or policies of the Governing Board.
- C.** A MBU may be disciplined for just cause including, but not limited to, the following reasons:

1. Conduct which is a violation of any of the applicable rules, regulations and policies of the Governing Board.
 2. Conduct which fails to comply with any applicable duties as set forth in the Arizona Revised Statutes.
 3. Insubordination.
 4. Unprofessional conduct including but not limited to:
 - a. Physical and/or verbal abuse of a pupil.
 - b. Being under the influence of, or using alcohol or illegal drugs while on duty.
 - c. Conduct while on duty which would constitute a criminal offense.
 - d. Conviction of a felony.
 - e. Unauthorized absences which result in responsibilities not being performed.
 - f. Misuse or unauthorized use of District property.
- D.** When appropriate, discipline shall be issued as soon as practical following a letter of inquiry. It is, however, reasonable for a supervisor to await a final determination from an outside agency (such as law enforcement, a court, or other state or federal agency) before determining if discipline is appropriate. A notice of intent to impose discipline should be issued within five (5) days after receipt of the MBU's response to a letter of inquiry. However, if additional time is required by either party for appropriate due process to occur, requests may be made to extend deadlines, and no such request shall be denied arbitrarily.

16-2 Non-Disciplinary Action

Supervisors will utilize non-disciplinary action as a means to counsel and instruct MBUs on minor infractions, behavior deficiencies or offenses to establish or clarify expectations and make necessary improvements in their behavior. It will not be used for conduct towards students that is deemed highly inappropriate by a reasonable person's standard, is unprofessional or immoral as defined in the Arizona Administrative Code and/or which may be construed as criminal.

A. Informal conference

A Supervisor will meet with MBU informally via phone, in-person or via email to discuss minor behavior infractions that do not warrant discipline.

B. Letters of Direction

1. Will serve as a warning to an MBU that there may be a need to take further disciplinary action should the conduct continue or repeat.
2. When an MBU transfers or relocates, said letter may be transmitted to the files of the new supervisor only after the transfer or relocation has been completed.
3. After six months from the date of the letter of direction, at the written request of the MBU, the letter of direction shall be removed from the files of the supervisor provided that both of the following conditions are met:
 - a. The action leading to the letter of direction, or any related action, has not been repeated in the six-month period following the letter of direction;
 - b. No other letter of direction has been placed in the MBUs file(s) in the six-month period following the letter of direction.

16-3 Progressive Discipline

- A. The District shall use progressive discipline as a means to identify and correct problems. Progressively more severe penalties may be imposed when related offenses are repeated. This does not require that each penalty be more severe than the immediate preceding one regardless of the offense involved. Progressive discipline encourages supervisors to informally counsel and instruct MBUs about necessary improvements in their behavior prior to taking disciplinary action (Non-Disciplinary Action).
- B. The normal sequence of disciplinary action shall be as follows:

1. Written Reprimand I;
 2. Written Reprimand II;
 3. Suspension without pay for up to ten (10) days;
 4. Termination;
 5. It is recognized that some offenses may be sufficiently serious as to warrant the omission of one or more of the normal steps of discipline progression.

CONTRACTS

31-1 Contracts

Any MBU identified in Appendix 1 who will be employed by the District for the 2021-2022 contract year shall be issued a written contract similar to the sample contract identified below. The TEA President/designee may review for accuracy the annual employment contracts prior to their distribution.

Title: Certificated and Licensed Contract For 2021-2022

[Employee], being appointed to perform duties in the Tucson Unified School District for the 2021-2022 school year, agrees to perform faithfully all duties assigned according to law and the rules legally established for the government and operation of the schools. Failure to meet stated requirements could constitute grounds for dismissal, subject to all statutory and District regulations governing dismissals.

This Contract is expressly conditioned upon the Employee holding licensure or certification (with appropriate endorsement(s) or approved areas issued by the Arizona Department of Education as appropriate to the position held) on or before the first duty day of the 2021-2022 school year and during the entire term of this contract.

This Contract is expressly conditioned on the Employee holding and maintaining, during the entire term of this contract a valid fingerprint card issued pursuant to A.R.S. §41-1758 and 15-534, as required.

Annual salary: In consideration of said services, satisfactorily performed, the Governing Board, on behalf of the School District, agrees to pay the above named individual the Total Amount of the Contract as an annual salary, for full time equivalency (FTE). Partial contracts will be prorated accordingly. The base rate of pay shall be prorated to reflect the actual days of service if less than the number of days specified in Article 12 of the Consensus Agreement. Compensation may also include an advanced degree stipend as specified in Article 29 of the Consensus Agreement. Such stipends will also be prorated to reflect the actual days of service if less than the number of days specified in Article 12.

Liquidated Damages: Employee will be obligated to pay the District: (1) \$1,000.00 if Employee terminates this contract between June 30, 2021 and July 15, 2021; or (2) \$2,000.00 if Employee terminates this contract between July 15, 2021 and prior to the last day of the first semester; or (3) \$2,000.00 if Employee terminates this contract between January 4, 2022 and prior to the last day of the second semester..

Classroom site fund plan: A teacher may qualify to be paid 301 Pay to Perform monies pursuant to the "Implementation plan for the classroom site fund" ("Performance Pay Plan") for the 2021-2022 school year adopted by the TUSD Governing Board. In accordance with the Performance Pay Plan, the monies received by the District pursuant to, and as a

result of, the Classroom Site Fund that are required to be allocated for teacher compensation based on performance, shall be distributed among District teachers who qualify for such payments.

If Employee qualifies to be paid Performance Pay, pursuant to the District's Performance Pay Plan, the method and timing of payment of such monies, as well as the amount of any such Performance Pay, shall be as specified in the Performance Pay Plan. Any performance pay earned by the Employee under the Performance Pay Plan shall be in addition to the monies earned by the Employee as base salary.

All Classroom Site Fund increases anticipated by this contract are contingent upon receipt of funding or legislative authorization to expend. Any increase realized for a given year may be decreased for subsequent years if the level of funding received by the District or if expenditures authorized by the legislature for these components of Classroom Site Fund are not maintained or are decreased, or if the teacher does not qualify or successfully participate in a plan implementing the component.

The Total Amount of the Contract shall be the combination of: (1) the base salary for the step to which Employee is assigned on the Employee's applicable salary schedule set forth in Article 29 of the Consensus Agreement approved by the Governing Board for the 2021-2022 contract year ("2021-2022 Consensus Agreement"), and (2) any, if applicable, Performance Pay which shall be identified as "Supplemental Base" and/or "Supplemental Menu" on said salary schedule.

The District is providing this Contract to Employee to confirm Employee's appointment for the 2021-2022 school year. Employee understands and agrees that the Total Amount identified below is the total amount for the step assigned to Employee for the 2021-2022 Consensus Agreement. Employee acknowledges that the Total Amount may increase if the Governing Board approves an amendment to increase either the base salary or supplemental monies. Employee will not be mandated to file additional paperwork/amendment to receive the additional monies as these sums will be automatically directed to Employee. An amendment will only be required if the Consensus Agreement is amended to reduce the Employee salary.

The District will notify Employee electronically through Infinite Visions if the Governing Board approves a step increase and/or if there is a change to the Total Amount as a result of the Governing Board adopting a 2021-2022 Consensus Agreement.

Employee's acceptance of this Contract constitutes acceptance of the Total Amount identified for Employee's assigned step in the 2021-2022 Consensus Agreement as well as acceptance of the assigned step identified as the Salary Sch. Below or any applicable step increase that may thereafter be approved by the Governing Board for the 2021-2022 contract year.
