

CPR/First Aid Certification Providers

Ex Ed Teacher Assistants

Ex Ed Teacher Assistants must complete CPR and First Aid certification through a Medicaid Approved AHCCCS Provider. To ensure you take a Medicaid approved course and that your renewal cost is covered, you must contact the Ex Ed Department by emailing ExEdInbox@tusd1.onmicrosoft.com or call 520-225-6610.

Other District Positions

TUSD will cover the cost of renewals if CPR-FA is a requirement for your position. You must attend the CPR & First Aid course offered through the Transportation Department:

1. Log into [KickUp Pulse](#)
2. Register for the Transportation CPR/AED/FA course

If your position requires this certification and it is a valid renewal, the instructors will not request the \$30 money order at check-in.

Outside Providers

If you choose not to take the Transportation class, you may obtain your certification through an approved outside provider:

1. [American Heart Association](#)
2. [American Red Cross](#)
3. [Desert Fire](#)
4. [Desert Heart CPR](#)
5. [Emergency Care & Safety Institute](#)
6. [Eclipse CPR](#)
7. [Save-A-Life](#)

Courses may be accepted from other providers if training follows up-to-date curriculum from the following programs:

Important Outside Provider Policies

- No Reimbursement: If you choose an outside provider, TUSD will not reimburse you for the cost.
- In-Person Only: The CPR portion must be completed in person. No online certifications (such as NationalCPRFoundation) will be accepted.

Have Questions? Please reach out to Human Resources at HRDocs@tusd1.org or 520-225-6035.
